DO YOU WANT TO JOIN ONE OF THE UK AND WORLD'S LEADING RECRUITMENT COMPANIES?

**Regional Manager** (three countries) - CIS Region  
**Oil & Gas** (any recruitment sector background considered)  
**To c£120k** basic and good bonus

An opportunity has arisen that can't be missed to join a world-leading Natural Resource & Engineering recruitment firm. Active in over 60 countries globally, you will be leading the business in a strategic Oil & Gas region. This role is a senior leadership role within the business, managing a regional business unit with annual sales of £55m across three countries, employing 80 staff and delivering services to some of the world's leading energy companies. The successful candidate can either live in the region (ideally in Kazakhstan or if not Azerbaijan) OR if you prefer to be based in the UK, you can travel between the UK and the region, but it will require 50% of your time to be based in region.

You will have a senior management background in recruitment and be able to demonstrate your ability to drive a sizeable business remotely and effectively. Your recruitment knowledge can either come from the Oil & Gas or the Technical Engineering sector OR if you want to learn about our key sector and prove yourself, any recruitment sector – but if so you must be ready and able to embrace this sector and region.
